

The Reverend Bill Gray, Incumbent

On behalf of the clergy and families of All Saints' we pray that all of you may experience this Christmas the hope, peace, joy and love that is the gift of the Christ child.

In Advent we wait in anticipation for the celebration of the coming of the Christ, in looking back to the memory of His birth; and in looking forward to His current and future coming that forms meaning for our lives.

In Advent we are asked to be intentional about making preparations for this celebration in order to best experience God's gift of incarnation- the word made flesh dwelling among us.

Please join us for Advent and Christmas celebrations.

Father Bill
